Dear fellow Democrat:

The Committee for a 1974 Presidential Election was formed by students at Columbia University and members of Riverside Democrats. It grew rapidly to include individuals and organizations throughout the city. A partial listing is on the letterhead.

SPEAKERS BUREAU:

Jack Bode

Our aim is to bring pressure on Congress to recognize the right of the electorate to decide the critical leadership crisis facing the nation. It is also our goal to prevent the confirmation of Gerald Ford as Vice-President. The issue of the Presidency must be decided by a national vote.

We hope to build a strong movement for a 1974 Presidential election. We need your help to do this. We must act now or it will be too late!

Our first event to launch the movement is a debate and forum on November 30th, 8pm, in the auditorium of the School of International Affairs, Columbia University, 118th Street and Amsterdam Avenue.

The speakers will be: Robert Wagner, Sr. (ex-Mayor, NYC); Herman Badillo (Dem. Congressman); Bella Abzug (Dem. Congresswoman); Kieren O'Dougherty (Chrmn. Conservative Party); William Hathaway (Dem. Senator); Franz Leichter (Dem. Assemblyman); Jesse Gray (Dem. Assemblyman); Sidney Von Luther (Dem. State Senator); Richard Gottfried (Dem. Assemblyman)

We expect extensive media coverage and must demonstrate strong support for this movement. Please make every effort to attend!

If you are interested in joining the Committee, please call 850-4573 or write to the above address.

A contribution is very welcome and very needed.

Date: November 30th
