## Boys, 16, Facing Juvenile Charge

WYCKOFF—Juvenile complaints have been filed here against two 16-year-old Midland Park boys who Thursday afternoon took a car without the owner's consent and drove it into two parked cars in the East Wyckoff Shopping Center.

The under-age drivers had borrowed the car belonging to the sister of one of them. The complaints, signed by investigating officer Capt. David Mitchell, will be referred to the Bergen County Juvenile and Domestic Relations Court. Both youths were released in the custody of their parents pending court action.

The two cars which were struck were owned by the Mack Lona Academy of Dance, 131 Busted Drive, Midland Park, with a studio in the shopping center, and Thomas Grillo, 1012 Colonial Road, Franklin Lakes.
