Hollander v. Bolger et al., 1:16-cv-09800
Opposition to defendants' request to increase the page limits for the briefs.

Dear Hon. Judge Broderick:

I am an attorney admitted to this Court and representing myself in this action against the defendants. This letter is in opposition to defense attorney Joseph L. Francoeur's request that the page limits for the briefs concerning defendants' motion to dismiss be increase to 35 pages, which would be nearly a third longer than the permitted 25 pages.

Attorney Francoeur and his clients' conduct thus far in this action make it clear that they will just use the additional space to continue their litigation of personal destruction. In their two letters to this Court, Francoeur and his clients, also defense attorneys, have raised irrelevant matters in order to engage in their neo-McCarthyite-PC smear tactics.

The additional pages will only provide more of their self-righteous, hypocritical and bigoted ideological rants against me for resorting to the courts to defend my rights under the laws and the U.S. Constitution.

Francoeur and his clients are marked by a severe strain of intolerance toward anyone who does not believe as they do. Especially, if that person worked as a volunteer in Donald Trump's campaign for the presidency—as I did.

From the powerful to the tyrant next door, those who aim to exploit, control and silence others predictably turn to personal attacks, lies and deception.

Thank you for your time.
